

**LORI TIERNEY, IIDA LEADS INTRODUCTORY COURSE IN FENG SHUI AT
DWELL ON DESIGN EXHIBIT, LOS ANGELES CONVENTION CENTER,
JUNE 22, 2013**

Los Angeles, CA...May 27, 2013... **Lori Tierney**, IIDA, author and public speaker, will lead an introductory course on practical Feng Shui for the home or office, at the Dwell on Design exhibit, June 22, 2013 at the Los Angeles Convention Center as Continuing Education Units (CEU). Sponsored by Unisource Solutions, Inc., where Tierney is a Principal, Haworth, a leading manufacturer of contract office environments, and IIDA, Lori, a Feng Shui practitioner for more than 17 years, will take attendees through the history of the ancient art with a look at the different schools of Feng Shui and practical, easy-to-apply enhancements based upon their own unique information. With an emphasis on compass Feng Shui, Lori will assist attendees with assessments based upon their individual home/office and floor/site plans.

About Lori Tierney:

Lori Tierney, IIDA, Principal of Unisource Solutions, Inc, based in Los Angeles, combines a creative background with marketing/sales, business and management experience. Over 30 years, she has specialized in strategic selling, marketing, networking in industries including technology, real estate, entertainment, interior design, architecture, contract furnishings and sustainable construction. Lori also founded and heads Red Road Retreats, www.redroadretreats.com, whose Mission Statement is: At Red Road Retreats we provide transformative experiences for People and Organizations seeking balance, personal growth and Healing in supportive environments through retreats, workshops and educational programs. She has led retreats to Maui, Kauai, Ojai and Sedona since 2008. In April 2013, in conjunction with Lumeria Maui, she led a CEU Design Workshop that included yoga, meditation, visioning and Feng Shui.

About Dwell magazine:

Dwell on Design, America's largest modern design event, returns to the Los Angeles Convention Center June 21-23, 2013. Curated by the editors of Dwell magazine, the three-day celebration brings together the best and brightest products, services, and thought leaders in modern design today for a series of conversations, demonstrations, tours, and more. Dwell magazine is a product of Dwell Media, LLC. www.dwell.com
